	21 The draft order of 14 9. 1917 was prepared in accordance with the minute of the member in para 8 of the note but it was not approved for issue as will be seen from paras 11, 12 & 13. Meanwhile the file was submitted in person to the Member and I was directed to call the D.S Education in person and obtain certain information. The information was furnished by the D S in his letter of the 7th Dec 1917. This matter was duly brought to the notice of the member and I was directed to note the order passed in Mag J regarding transfer of Elementary Education to the control of local bodies I kept this file open as I expected the question would be disposed of finally on the Edn. cases
	22 This was one of the Subjects which should have been undertaken by our Rajah Sahebs, if he had continued on Spl duty and since he has left, I thought it best to submit the matter so that the file may be closed

To

Offg Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department, Bangalore.

S I R,

Adverting to paragraph 46 of the Municipal Administration Report of this District for the year 1915-16 and to paragraph 14 of the Government review on the said reports and accounts for the same year regarding the waiving of the payment of the contribution payable by the Municipal bodies towards Public Instructions, I have the honor to state that none of the said bodies is prepared to take up primary education in the area under control, if by this is meant the financial responsibility for such education in addition to administrative control Their present resources are too scanty to take up the former and their administrative machinery is not yet fitted to undertake the latter.

2 The Government in their order No.571-2/Ml 114-16-24 dated 28th July 1917 have sanctioned the waiving of the contribution of Rs 190 by the Molakalmuru Municipal Board towards public instruction in connection with the reduction of the rate of octroi duty on betel leaves Deducting this sum out of the total contribution of Rs 800 payable by the several Municipalities, a sum of Rs 610 will be due hereafter as per details noted in the margin

Davangere	Rs 100
Harihar	100
Jagalur	80
Hiriyur	90
Challakere	80
Molalkere	160
	610

3 As already stated by me this amount of contribution which is quite an inappreciable fraction of the State

expenditure on education, is an appreciable portion of the local resources and the waiving of this contribution will enable the said local bodies to utilise the amount on useful works such as the improvement of sanitation &c.

I therefore request that the Government may be pleased to order the waiving of the payment of contribution by the other Municipalities in the District also towards the Public Instruction.

I have the honor to be,

S I R,

Your most obedient servant

"Control by Boards of Elementary Education"

Note

24 This is a subject which may very well be left to be dealt with when the reorganization of the Education department comes up in that branch

25 From the figures now furnished it is impossible for the Municipalities to take over Elementary Education unless large grants are given by Govt

26 This is a big question and so till the educational policy is definitely laid down as to the extent of control & the method present arrangements must continue
